

Dear Olympic Peninsula Resident,

The Clallam Economic Development Council's mission is to promote employment at good wages for local residents.

We believe that your financial future is important, and we value your views and opinions about how to improve the economic vitality of our County.

We want to learn how people who live and work here view their employment and financial well-being.

Would you give us a few moments of your time so that we can learn your views on these important topics? Please take our short survey today to help shape tomorrow for the Peninsula.

Sincerely,

Clallam Economic Development Council  
& Our Strategic Planning Team
